Thought for the week: The love of our neighbour in all its fullness simply means being able to say, "What are you going through?" **Simone Weil**

Chaplain today: Don Macarthur

Thank You Stuart for leading the service this morning and Shelley for playing the music.

Geoff will be leading worship at Lymington URC today, and Robert is on holiday

Bible Readings for this Sunday: Psalm 112:1-9 and Matthew 5 v13-20

Theme: Seeing the Light and Following Christ

Hymns – we can sing the hymns while we keep our masks on.

Prayer Group: As we are not able to meet face to face, each week a list of needs is circulated for us to remember in Prayer. If you have any need, or know of anybody who we can pray for, please contact either Anne Farrow or Helen Thomas.

Food-Box: The Food Banks are in need, and we can help. The Food Box in the Chapel is now available to receive your donations. Each time the Box is full, the contents will be taken to the Swindon Food Collective.

Immanuel webpage: You can find the link above. Just asking – when was the last time you have looked at it? It is current, up to date with all you are looking for, and very well presented. The recording of the service of each Sunday can be found, as well as the order of service. Drop in whenever you want!

See you soon: I will be away on holiday for the next two Sundays, and then at Highworth the 4th Sunday, so will see you all soon (i.e., September). (Robert)

Climate Change Conference: I'm sure you have heard of this, better known as COP26, which will take place as from October 31st in Glasgow. This is an urgent and necessary time for concrete actions to be taken on the Environmental Crisis we are facing. Climate changes is not something happening in far away regions: Arctic, Antarctic, Amazon....it is happening much closer to home – we saw the floods in Germany and Belgium, and the streets of London, and in the Southwest heading into this weekend. What is not tackled now, will just add to the damage happening now. So please keep this Conference in your prayers and let us urge our leaders to commit to the changes necessary. WORDS are no longer enough, we need ACTION.
